# AJANTA BOTTLE : OUR PORTFOLIO

Ajanta Bottle, an ISO 9001-2015 certified company, is the leading provider of FSSC-22000, food-grade certified glass packaging solutions for the food and beverage industry. With a wide range of more than 400 premium-quality glass bottles and jars, the company ensures safe and reliable packaging of your products, preserving their taste, aroma, and quality. Our value-added services and decoration options, such as printing, foiling, coating, and decal, allow us to create visually captivating packaging that reflects your brand's identity.

Apart from food and beverage, Ajanta Bottle also caters to the diverse needs of the pharma, cosmetics, and perfume segments. Our new venture, Akikai Packaging Machines, further strengthens our offering by providing advanced packaging machinery solutions like bottle cap sealing application. Choose Ajanta Bottle and Akikai as your trusted partners for exceptional glass packaging and machinery solutions that set your products apart

# DECORATION & VALUE ADDITION

At Ajanta Bottle, we understand that packaging is more than just a container—it's a brand's first impression. That's why we offer a range of decoration and value addition services to enhance the look and feel of bottles, making them more appealing and market-ready.

Our process begins at Ajanta Bottle, where we work closely with brands to develop customized designs that align with their product identity. From concept development to production and quality assurance, we ensure that every bottle is crafted with precision.

For specialized decoration, we have a dedicated facility in Bahadurgarh, Haryana, equipped with advanced technology to execute printing, lacquering, hot-foil stamping, frosting, decal application, and external metallization. These processes allow brands to add premium finishes, unique textures, and eye-catching details to their packaging.

By combining technical expertise with industry insights, we help brands create packaging that not only looks great but also adds value to the product inside.

# AJANTA BOTTLE : OUR PORTFOLIO

Ajanta Bottle provides reliable and customizable packaging solutions for the cosmetics and perfumery industry. From skincare, haircare, and makeup to fragrances, deodorants, and essential oils, we offer a wide range of bottles and jars that meet the specific needs of brands in these segments.

With years of experience in the packaging industry, we understand the importance of functionality, durability, and brand appeal. Our value-added services, including printing, foiling, coating, frosting, and labeling, allow brands to customize their packaging for a premium and unique look.

Whether you're looking for sleek bottles for perfumes, sturdy containers for creams, or dispensers for serums, Ajanta Bottle ensures safe, high-quality packaging that enhances the presentation and usability of your products.

# DECORATION & VALUE ADDITION

At Ajanta Bottle, we understand that packaging is more than just a container—it's a brand's first impression. That's why we offer a range of decoration and value addition services to enhance the look and feel of bottles, making them more appealing and market-ready.

Our process begins at Ajanta Bottle, where we work closely with brands to develop customized designs that align with their product identity. From concept development to production and quality assurance, we ensure that every bottle is crafted with precision.

For specialized decoration, we have a dedicated facility in Bahadurgarh, Haryana, equipped with advanced technology to execute printing, lacquering, hot-foil stamping, frosting, decal application, and external metallization. These processes allow brands to add premium finishes, unique textures, and eye-catching details to their packaging.

By combining technical expertise with industry insights, we help brands create packaging that not only looks great but also adds value to the product inside.
